

Privacy Policy:

Analyser respects your privacy and is committed to protecting your personal information. This Privacy Policy will inform you of how we collect, use, and protect your data when you use our brand analyser services.

1. Information We Collect:

- When you use our brand analyser, we may collect personal information such as your name, email address, and any other details you provide.
- We may also collect non-personal information such as browser type, device type, and IP address for analytical purposes.

2. How We Use Your Information:

- Your personal information may be used to provide you with the brand analyser services and respond to your inquiries.
- Non-personal information may be used for analysing trends, improving our services, and enhancing user experience.

3. Data Protection:

- We take the security of your data seriously and have implemented measures to protect it from unauthorized access or disclosure.
- Your personal information will not be sold, traded, or rented to third parties without your consent.

4. Compliance with Regulations:

- We comply with data protection regulations such as the General Data Protection Regulation (GDPR) and the California Consumer Privacy Act (CCPA).
- You have the right to access, correct, or delete your personal information as per the regulations.

5. Changes to Privacy Policy:

- We reserve the right to update our Privacy Policy at any time. Any changes will be communicated to you through our website or email.

By using our brand analyser services, you agree to the terms outlined in this Privacy Policy. If you have any questions or concerns about our privacy practices, please contact us at contact@analysernews.com.
